Extract from the proceedings of the 21st meeting of the Board of Agriculture, held in the Leg. Council Hall, Bangalore on 23-12-1930

Fruit cultivation loans. Read the following resolution of the Horticultural Sub-committee :

"Government should be requested to sanction the extension of the concession of giving fruit loans free of interest for the first three years for a further period of 3 years and to allot a sum of Rs. 50,000 per annum for granting loans for fruit cultivation."

Mr. Javarayya stated that according to Government order No.D. 6157-78 A & E 178-26-5, dated 12th Dec. 1927, grantingloans for fruit cultivation free or interest expired on 30-6-1930. In view of the great impetus given to this important industry by this small concession and the fear of a set back by a sudden withdrawal of the same before it was surficiently well established the sub-committee had recommended an extension of the period. Further, Government had been sanctioning only Rs. 10,000 per annum for granting these loans. This amount was quite inadequate. A sum of Rs. 50,000 was considered necessary for this purpose - Rs. 5000 for each district and Rs. 10,000 at the disposal of the Board for special cases.

Mr. S.P.Rajagopalachari and several others supported the views expressed by Mr. Javarayya.

RESOLUTION. Resolved that the recommendation of the sub-committee be accepted and suitable proposals sent up to Government.
